DISTRIBUTOR AV x 8 CH VA108

→ **Features**

- ▶ Adopting high-quality components and advanced circuit design technology
- ▶ Independent amplifier outputs, high isolation, excellent interference resistance ability
- ▶ Suitable for family, hotel, shopping mall, school, factory, singing hall, etc..

→ **Specifications**

▶	Model	JM-VA108
▶	Video	Rated input signal voltage and impedance
		VS0.8-1.0Vp-p/75Ohm
▶		Rated output signal voltage and impedance
		VS1.0-1.4Vp-p/75Ohm
▶		Bnadwidth
		50Hz-5.5Mhz
▶		1/2 inputs, 8 outputs
▶	Audio	Rated input signal voltage and impedance
		2V(RMS)/47Kohm
▶		Rated output signal voltage and impedance
		2V(RMS)/1Kohm
▶		Frequency characteristic
		10Hz-20Khz, 0dB
▶		1/2 inputs (left, right), 8 outputs (left, right)
▶	Power supply	-220V±10%
▶	Power consumption	8W
▶	Dimension	250x190x42 mm

Made in China
