

SMD test clips

Model: TLSM-12

Description:

The professional test lead with exclusive alligator clips for measuring the SMD components (resistors, capacitors, inductors, diodes, ...) are available for the following models:

- 1- LCR meter: LCR-9063, LCR-9073, LCR-9083
- 2- Capacitance meter: DM-9023, DM-9033
- 3- Digital multimeter: DM-9093, DM-9090, DM-9080, DM-9608, DM-9020, DM-9092

Specifications:

- 1- Safety approval: CAT II 300V
- 2- Plug: L type safety plugs
- 3- Size: SMD alligators probe: 12mm
Cable: 135 mm
