

Insulation Resistance Tester Model: DG525

Features:

- Digital 2 ranges & AC voltage measurement
- Auto range
- ACV measurement (AC600V)
- Auto power off
- Backlight
- Data hold
- Low power indication

Standard Accessories Included:

- Test lead set (TL-M54) x 1set

Specifications:

Rated voltage		2 ranges
MΩ		2/20/200/2000MΩ (4 auto ranges)
	Accuracy	2/20/200MΩ : Within $\pm (2\%+2)$ 2000MΩ : within $\pm (5\%+2)$
ACV		200/600V (2 auto ranges)
	Accuracy	Within $\pm (1\%+0.5\%RNG+1)$
Battery		LR6X6
Size / Weight		H175XW115XD55mm/approx. 600g
Standard accessories included		Test lead (red/black with plug) and clip lead connecting to pin (TL-M54) , Instruction manual
