

Digital Insulation Tester (YF-509)

FEATURES:

- 3 * 1/2 LCD display with maximum reading of 1999.
- Measures DC Voltage (0V 1000V), AC Voltage(0V 750V).
- Data- Hold, Max-Hold test function
- EN61010-1, CAT III.
- Measures high insulation resistance 0.1M -2000M
- Rotary Switch easy for range selection.

FUNCTION	Range	Resolution	Accuracy
